

PUBLIC MEETING NOTICE

**LA 23: Belle Chasse Bridge & Tunnel (HBI)
Environmental Assessment**
Jefferson/Plaquemines Parishes, LA

State Project No. H.004791
Federal Aid Project No. DE-3806(500)
RPC Contract No. BCTunnel

The Regional Planning Commission invites citizens to attend a community open house meeting on the proposed replacement of the Belle Chasse Tunnel and Bridge.

Date/Time: Tuesday, July 10, 2018
5:00 to 8:00 pm

Location: Belle Chasse Auditorium
8398 LA Highway 23, Belle Chasse, LA

The public can attend the open house meeting any time between 5:00 and 8:00 pm to view information, ask questions and offer comments. The information available at this meeting will acquaint the public with the project and updates since the last public meeting occurred on June 7, 2016 as well as outline the preferred alternative under consideration, a new 4-lane, 73-foot fixed bridge over the GIWW with pedestrian and bicycle facilities, and potential construction financing.

General project information and a copy of this meeting announcement are available at the project website:
<http://www.bellechassestudy.org>.

Comments from the public or stakeholder agencies on potential environmental effects associated with the proposed project alternatives are welcome. All written statements and/or comments may be submitted either at the meeting or within 10 calendar days following the meeting Friday, July 20, 2018:

Attn: Jason Sappington, AICP, Sr. Transportation Planner
Regional Planning Commission
10 Veterans Memorial Boulevard
New Orleans, LA 70124

ADA NOTICE: For special accommodations for this meeting, please contact our ADA Coordinator by telephone (504/483-8528), at least one week in advance. Translation requests can be directed the RPC's Title VI Coordinator, Nikolaus Richard, at 504/483-8535 or nrichard@norpc.org.
