

TABLE OF CONTENTS

Introduction and Background	9	Water Distribution System	51	LIST OF MAPS	
Introduction	9	Sewer Collection System	51	1. Nodes, Landmarks and Subdistricts	14
Project Need	9	Drainage System	51	2. Existing Land Use	17
Planning Process	9	Telecommunications	51	3. Parking Facilities	19
Strategic Plan	9	Currently Planned Improvements	51	4. Vacant Land and Structures	21
Planning Team	9	Vision and Recommendations	57	5. Institutional Land Ownership	22
Study Area	10	Vision Statement	57	6. Zoning	24
Report Format	10	Plan Recommendations	58	7. Historic Districts	26
Background	10	Land Use	58	8. VA, LSU, Tulane and Delgado Proposed Building Projects	27
Medical District History	10	Ground Floor Uses	61	9. Street Network	31
Past Planning Efforts	10	Open Space Plan	67	10. Circulation System	32
Existing Conditions	13	Transportation	70	11. Street Cross Sections	33
District Framework	13	Skywalk System	70	12. Bicycle and Pedestrian Crashes	35
Sub-districts	13	Circulation Alternatives	70	13. Street Condition	37
Pathways	15	Claiborne Avenue	70	14. Sidewalk Condition	38
Nodes	15	Bicycle Circulation and Parking	74	15. Crosswalk Condition	39
Landmarks	16	Vehicular Parking	74	16. Signalization	41
Edges	16	Tulane Avenue	75	17. Wayfinding and Signage	42
Land Use	16	Interior Streets	76	18. Existing Greenspace and Open Space	44
Existing Land Use	18	Infrastructure	76	19. Entergy Electrical Distribution	45
Current Land Ownership	20	Streets	76	20. Entergy Electrical CBD Network	46
Development Potential	20	Sidewalks	76	21. Electrical System Sewerage & Water Board	47
Zoning Regulations	20	Crosswalk Striping	76	22. Entergy Gas Distribution	49
Historic Regulations	25	Crosswalk Striping	76	23. Entergy Thermal Chilled Water Distribution	50
Currently Planned Improvements	25	Utility Infrastructure	76	24. Water Distribution Sewerage & Water Board	52
Transportation System	29	Accessibility	78	25. Sewer Collection System	53
Vehicular Transportation	29	Streetscape Design	78	26. Drainage Collection System	54
Pedestrian Travel	34	Sustainable Design	81	27. Telecommunications AT&T	55
Bicycle Travel	34	Conclusion and Implementation	83	28. Stand Alone Residential Uses	59
Transit	34	Zoning and Land Use	83	29. Ground Floor Mixed Use Plan	60
Currently Planned Improvements	36	Existing Zoning	83	30. Recommended Land Use	62
Physical Infrastructure	36	Proposed Zoning Changes	84	31. Recommended Land Use Quad 1	63
Streets	36	Urban Design	84	32. Recommended Land Use Quad 2	64
Sidewalks	36	Capital Improvement Projects	84	33. Recommended Land Use Quad 3	65
Crosswalks	36	Use of this Plan	84	34. Recommended Land Use Quad 4	66
Transit Stops	40	Appendices		35. Open Space Plan	68
Traffic Signals	40	Eva Klein 2006 New Orleans Regional Biosciences Initiative Strategic plan		36. Skywalk and Parking Structure Plan	71
Signage	40	Meetings, Briefings, Presentations		37. Public Transit and Bicycle Paths	72
Open Space and Trees	40			38. Proposed Transit Circulator Shuttle Route	77
Street Lighting	43			39. Streetscape Enhancement Plan	79
Electrical Distribution	43				
Gas Distribution	48				
Thermal Energy	48
