

Meeting Agenda

I-12 at Northshore Boulevard / Airport Road
Stage 0 Feasibility Study and Environmental Inventory

State Project No. 700-52-0139 • FAP Project No. IMD-3602 (516)

Public Information Meeting #2 (**FINAL**)

Thursday, February 28, 2008, 6:30 – 8:00 p.m.

Parish Council Chambers, St. Tammany Parish, 21490 Koop Drive, Mandeville, LA

Welcome

I. Project Introduction

Members of the public will receive an overview of the project. This discussion will include information on the project work plan and timeline and status of work completed to date. Included within this discussion will be a review of the Stage 0 Feasibility Project process and the findings to date, including the recommendations.

II. Review of Recommended Alternatives

Members of the public will be presented with information on the project identified for improving the I-12 at Northshore Boulevard/Airport Road Interchange.

III. Questions and Comments

Members of the public will be asked for any remaining questions or comments.

IV. Adjourn

Thank you for your participation at tonight's meeting. Please make sure to sign-in so the project team has a record of your attendance.

Please make sure to use a comment form to submit any written comments. Copies of these forms are available at the sign-in table.

Our anticipated total meeting time is 1 hour, 30 minutes.
